## Blades for Bricksaws, Demolition Saws and Low Horse Power Floor Saws

**EXTREME RANGE - Premium Laser Welded**  
 BXP- Bricks, Clay, Hard Construction Products  
 CXP- Hard Concrete, Reinforced Concrete  
 GXP- Combination Concrete & Asphalt  
 AXP- Abrasive Products. Silent blades available  
 300mm, 350mm, 410mm, 460mm, 500mm

**5 PACK BLADES - LASER WELDED**  
 Laser welded general purpose cutting blades.  
 One blade to do it all.  
 310mm, 350mm, 410mm.

**5 PACK BLADES - SINTERED**  
 General purpose Sintered Blades.  
 For cutting hard construction materials  
 350mm.

## Tradesman Range

**915D PREMIUM TURBO-** For cutting hard construction products.  
 100mm, 115mm, 125mm, 150mm, 180mm, 200mm, 230mm, 300mm, 350mm.

**950D PREMIUM TURBO-** For cutting of abrasive products.  
 100mm, 115mm, 125mm, 150mm, 180mm, 200mm, 230mm, 300mm, 350mm.

**GENL - Premium Segmented Laser** For general purpose cutting.  
 100mm, 125mm, 150mm, 180mm, 230mm, 250mm.

**TUCK POINT -** For tuck pointing of mortar joints.  
 100mm, 125mm, 180mm.

**CRACK CHASER -** For quick routing and widening cracks in concrete and asphalt. 100mm, 125mm, 180mm.

**THIN RIM TURBO**  
 Cutting granite, stone, & hard tiles. Thin rim reinforced centre hub  
 100mm, 125mm.

Economy, general purpose Turbo blade  
 100 - 250mm.

Economy, general purpose Segmented Rim blade.  
 100 - 250mm.

Economy, general purpose Continuous Rim blade.  
 100 - 250mm.

Continuous Rim forcutting tiles, marble & stone.  
 100 - 350mm.

MK225 HotDog Premium Grade, thin rim blade for cutting porcelain tiles.  
 100 - 350mm.

MK415 Continuous Supreme Grade. For cutting hard tiles & stone.  
 180 - 350mm.

Tiger Tooth Vacuum brazed blade for cutting steel, plastic, PVC, masonry, ductile.  
 100 - 350mm.

Ductile Blade For cutting of ductile iron pipe.  
 350 - 410mm.

## Professional Range

### Roadsaw Blades

### Handsaw Blades

### Early Entry Green Concrete Blades

**RSP SERIES**  
 3.6mm wide  
 25hp - 48hp  
 concrete saws  
 500 - 760mm.

**RSPX SERIES**  
 4.2mm wide  
 40hp - 66hp  
 concrete saws  
 500 - 1060mm.

**HSBA**  
 Supreme Grade  
 Fast cutting, long life. 12mm segment  
 416mm.

**HSBB**  
 Premium, Fast cutting, general purpose, long life. 12mm segment  
 416mm.

**PCHS**  
 Precut Blade  
 4.2mm wide.  
 410mm.

The MK Diamond Early Entry Green Concrete Cutting System features a square-type arbor that easily fits all Soft-Cut® saws with a skid plate shield® from 5" to 14".

GC-10 (Soft Bond), GC-20 (Med-Soft), GC-35 (Med Bond), GC-55 (hard Bond)

# Concrete Saws

CX3 - 6hp  
14" blade  
140mm depth  
of cut

1613H - 13hp\*\*  
18" blade  
168mm depth  
of cut

2024H - 24hp  
20" blade  
195mm depth  
of cut

MK3030\*\*  
35hp V Twin  
Vanguard  
30" blade  
318mm depth  
of cut

MK4000 \*\*  
35hp petrol &  
31hp diesel  
30" blade  
318mm depth  
of cut

MK4000WC  
48hp petrol &  
44hp diesel  
36" blade  
380mm depth  
of cut

MK5000  
Block Saw  
20" blade  
Petrol &  
Electric

MK212-2  
2hp Tile Saw  
915mm length  
of cut.  
10" blade  
51mm depth  
of cut

MKDX  
Profile Machine  
For profiling  
and milling of  
tile & stone

JK-185  
Single phase  
grinding. 7" cup wheel.  
Head can be tilted  
to grind against  
edges

DDG  
Double disc grinder  
Petrol & propane models

SDG  
Single disc grinder  
Petrol & electric models

SG-9  
Scarifier

\*\* Denotes electric models available

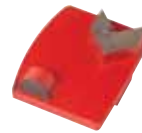

ment-COARSE  
12 segment-COARSE  
12 segment-FINE  
250mm.

**GRINDING CUP**  
Fits grinding machine.  
250mm.

**GRINDING PLUGS**  
25 grit  
40 grit  
80 grit

**PCD SHOES**  
Fast removal of  
heavy glues, epoxy  
& paints.

**TCD PRODUCTS**  
The long life patented TCD Products  
are very aggressive in the removal of  
glues, epoxy and paint.  
6 Grit Cup Wheels - 100mm - 4 segs,  
125mm- 5 segs, 180mm - 6 segs.

**IXL SHROUD**  
Uses Cyclone Dust  
Extraction technology  
to control dust.  
Attaches to any major  
angle grinder.

**TURBO SEGMENT**  
100mm 18 seg 40/50 grit  
125mm 18 seg 40/50 grit  
180mm 24 seg 40/50 grit  
180mm 12 seg 30/40 grit  
180mm 24 seg 100/120 grit

**CUP WHEELS**  
Double Row Stripper Disk  
100mm 40/50 grit 100mm 4 seg 16 grit  
125mm 40/50 grit 125mm 4 seg 16 grit  
180mm 40/50 grit 180mm 5 seg 16 grit

**ARROW CUP WHEELS**  
Red-180mm 6 seg 16 grit  
Blue-180mm 10 seg 40/50 grit  
Gold-180mm 10 seg 100/120 grit  
Pink-180mm 10 seg 220/240 grit

**PCD CUP WHEELS**  
Fast, coarse removal of  
glues, epoxies and paints.  
100mm & 180mm.

**RESIN POLISHING PADS FOR GRINDING MACHINES**  
Globe Type 80mm Post Type 50mm Wet Pads 80mm  
For Concrete grinding & polishing machines  
50 grit - 3000 grit

**LIPPAGE DISKS**  
For the removal of lippage  
50 grit, 100 grit  
90 mm.

**GRINDING SEGMENTS**  
From 14 grit to 220 grit  
Many bonds to suit  
different horse power  
machines.

**GRINDING SHOES**  
All types of shoes to suit  
many different grinding  
machines.
